Eviction moratorium may end soon

The CDC issued an order preventing all evictions from rental homes for nonpayment of rent. This moratorium order allows renters who meet certain requirements to avoid being evicted during the moratorium period, which has been **extended through March 31, 2021.**

If you are facing eviction:

- **Contact Legal Aid of Nebraska** immediately at 1.844.268.5627 to obtain legal advice and possible legal representation in your case. Interpreters are available.
- **Apply for rental/housing assistance**, including Lincoln's COVID-19 Emergency Relief Funds. Visit <https://app.lincoln.ne.gov/city/covid19/resident-resources.htm> for more information, including a list of local organizations assisting with applications.
- **Complete a CDC Eviction Moratorium Declaration Form** available at <https://www.cdc.gov/coronavirus/2019-ncov/covid-eviction-declaration.html> under "More Information."
- **Report potential housing discrimination** to Lincoln Commission on Human Rights at 402.441.7624.
- **Attend all scheduled eviction hearings**, even if your landlord or your landlord's attorney tells you that you do not need to attend.

If you have any questions about this process, contact Legal Aid of Nebraska at 1.844.268.5627.

VITA tax preparation assistance available

Volunteers are available to help you prepare your 2020 Federal and Nebraska state tax returns. **All appointments will be held virtually.** To sign up for an appointment, visit <https://vita.unl.edu/signup>. Remember, this is not a Center program. Please contact vita@unl.edu with any questions or concerns.

New scam involves fake DEA agents

Officials are warning of a new scam where scammers claim to be DEA agents. They tell the intended victim that a vehicle rented in their name was seized with a large amount of illegal drugs inside. The scammers then try to get the individual to pay a fine or fee by providing their sensitive bank or credit card information or by sending virtual gift cards.

Protect yourself! If you suspect a call or text you receive is a scam, hang up or delete the text without responding. Remember, **when in doubt, don't give it out.**

Visit consumer.ftc.gov for more info on protecting yourself from scams.

PROTECT OUR COMMUNITY

If you are displaying symptoms of illness or have potentially been exposed to COVID-19, **please stay home and DO NOT ATTEND DISTRIBUTION.** Our drive-thru reduces contact, but attending still puts our staff and community at risk. Instead, call us at 402.476.4357 and we will attempt to connect you with services for people at home, in isolation.

Wear a mask even if you aren't displaying symptoms. Mask-wearing is a proven, effective way of reducing the spread of COVID-19.
