Given the latest developments and recommendations from federal, state and local officials, we have taken further action at the Center to protect you and our workers from the risk of COVID-19 infection. Your health and safety remains one of our top concerns.

Here’s a quick rundown of the precautions we’re taking at this time:

- **Our lobby is closed** to reduce face-to-face interactions as much as possible. Staff is still available to help over the phone at 402.476.4357 or via email at info@cfpin.org.

- On Monday, March 23, **distribution will become a drive-thru**. You will be asked to stay in your car for the entire process. Please bring your Center Card. If your Center Card is expired, bring it anyway. For those of you who use public transportation, walk-ups will be processed at Door 2. The limit is still **1 distribution per week for food and 1 distribution per month for diapers**.

- **FoodNet has been asked to halt distribution at our site temporarily** to accommodate the changes we’ve made to distribution. To locate other FoodNet distributions, visit their website at foodnetlincoln.org.

- Commodities clients will also be handled in our drive-thru process.

- **All off-site distribution sites remain open at this time**, and we plan to distribute at each once per month. Please stay tuned for updates.

- **All programs and services other than food and diaper distribution have been closed temporarily**. This includes ELL, the Donation Room, T.R.A.D.E., etc.

Please continue watching our website and social media channels for more information. As the situation evolves, we will continue to evolve our processes to reduce the risk of infection at the Center.

Remember, when it comes to preventing the spread of illness, **YOU are the first line of defense**. Handouts on how to help prevent the spread of COVID-19 are available in several languages to help you in your own prevention efforts. If you haven’t already begun practicing preventative measures, please read these handouts and implement their suggestions to protect yourself and your family.

If you are displaying symptoms of illness or have potentially been exposed to COVID-19, please stay home. There are resources available for those who are homebound and we will do our best to connect you with them.

We will continue doing our best to limit your risk based on the most current information and recommendations from federal, state and local officials. For more information about the Coronavirus outbreak, visit lincoln.ne.gov.

**PREVENT THE SPREAD OF COVID-19**

- Wash your hands.
- Cover your cough or sneeze with a tissue or the crook of your arm.
- Avoid touching your eyes, mouth and nose.
- Clean and disinfect surfaces and items.
- Avoid contact with anyone who is displaying symptoms of illness, and **stay home if you are ill**.

**RULES & REMINDERS**

1. **Do not arrive early.** If you are parked in our parking lot before distribution, you will be asked to leave.
2. **Only one vehicle per household** is allowed to go through distribution. If you do not have a vehicle, walk-ups will be processed at Door 2.
3. **Please stay in your vehicle.** Our building is closed to the public – please plan accordingly and use the restroom, etc. before attending distribution.
4. **Please bring as few people as possible** to distribution.
5. **If you are ill or have potentially been exposed to COVID-19, please DO NOT ATTEND ANY DISTRIBUTION.** The drive-thru process reduces potential contact, but does not eliminate it entirely.
6. **Please do not smoke in your vehicle at distribution** – it exposes our staff to second-hand smoke.
7. **You must present a Center Card to participate.** If your Center Card is expired, bring it anyway. If you do not have a Center Card, bring a Photo I.D. and we will issue a temporary card.
8. You may only attend **one distribution per week for food.** Diapers will continue to be distributed once-a-month.
9. **You must be 18 or older** to receive food.
